over the past couple of years that are needed to upgrade our building to keep it competitive in the banquet rental market. Our building is 20 years old now and we want to make sure that it is able to remain a viable facility for both Tebala Shrine and the rental market for many years to come. Please consider helping Tebala upgrade our building. We'll all benefit from a revitalized Tebala Shrine Center.

I have to mention how amazing it was to see the "onion crew" at work on Friday, May 7th. Under the leadership of Bill Fisher P.P., Paul Thorne, Bob Armstrong, Tim Ward, Mark Torrance and many more, two semis of onions were off-loaded and distributed to the clubs and units in a few short hours. These Nobles have a great system that runs like a well tuned swiss watch and is a sight to behold. A big thank you to everyone involved in that massive effort. Also, thanks to all of the clubs and units for picking up their onions and getting out and selling them. You Nobles are the best!!

Circus Chairman Loy Rice, O. G., and his committee are finalizing plans for the 59th annual Tebala Shrine Circus which will be held on June 4-6 at the Indoor Sport Center. Please help support Tebala by purchasing your circus ticket vouchers or becoming a circus daddy or circus grand-daddy. Your help is also needed as a volunteer worker at the circus. Chief Aide Mark Torrance is the volunteer coordinator for this years' circus, and you can contact him to let him know about your willingness to help out at 815-871-6226.

As we move further into June, don't forget to support Tebala's efforts at the Blackhawk Farms Race Weekend, June 19 & 20 and the Rock River Hill Climb on June 20th. Both of these events benefit Tebala's Transportation Fund and are a great way to spread the news of the good done by our great philanthropy. Another great event that benefits Tebala's Transportation Fund is the Tebala Night at the Rockford Speedway. This year the fun-filled night will be on Wednesday, July 28th. You can join in the fun by donating \$150.00 and driving a car in one of the 6 lap heat races that evening, or just come out and cheer on the shrine drivers in the 4 different heat races.

As always, thanks for all that you do for Tebala, the Shrine, and the children that we serve in our hospitals.

Yours in the Faith,  
Martin McDaniel  
Potentate

## The Beat Goes On . . .

Greetings Nobles and Ladies!

The past month has been a busy time at Tebala. There has been a lot of rental activity with the "Those Who Excel" Banquet, RAMI Awards, weddings and high school proms among other things utilizing our wonderful facility. As you read through this *TebalaGram*, you'll notice a section titled "Tebala Shrine Center Building Wish List". It's more than just a "wish" list, it's a list of needs that have been identified by the building corporation

No further business appearing—Potentate McDaniel closed the meeting at 8:35PM

Respectfully Submitted by: Craig Sand P.P., Recorder

## Chaplain's Call - Chaplain Les McClelland

### Word for the Month

### "Assist"

There is an old Tibetan proverb that states "When he took time to help the man up the mountain, lo, he scaled it himself." This is what happens when we as members of Tebala Shrine work to help the children of our hospitals. We individually and collectively make it possible for them to have a better life and in turn we experience a better life. The word for June is "Assist". As we assist another person to live a better life, we discover that our own life improves. The more we work together in harmony, the greater influence we have on those around us. Another thing that happens when we begin to focus on assisting others is our own life journey improves. Issues that one person cannot handle are easily managed when others willingly assist us. Great achievements do not take place because of one person, but by the combined efforts of man! Each individual who chooses to become a Mason also chooses to live their life in a way that reflects honor, integrity, and respect for others. We do not live our life for the purpose of accumulating things, but for the opportunity to be of benefit to those who will follow after us.

Sir Winston Churchill stated, "We make a living by what we get, we make a life by what we give." Abraham Lincoln (former American President) stated, "Commitment is what transforms a promise into reality." Both of these individuals faced tremendous difficulties in their lives, however neither of them were able to overcome them alone. That achievement was made possible because others who believed in the same ideals they believed in worked with them ultimately achieving their mutual goals and dreams. Each individual who commits themselves to an ideal greater than themselves "must" realize they require the willing assistance of others who support that same ideal.

The ideals we subscribe to are only going to be achieved as we assist others in achieving their own ideals and dreams.

As your Chaplain. It is my prayer that each of you experience a glorious June filled with multiple moments of joy and happiness.

Your Fraternal Chaplain,  
Les McClelland

## Circus Time

That's right! The time is near for the 59<sup>th</sup> annual **TEBALA SHRINE CIRCUS**.

When you read this there will be less than a week until the circus. As all of you know, the circus is one of, if not the largest fund raisers for Tebala. To make this a success your help is needed; both in the purchase of your ticket vouchers that you have received in the mail, and with your assistance at the circus. The circus is indoors in a climate controlled environment so you don't have to worry about wind, heat, cold, or rain. There are many things that need doing, and there are a lot of jobs that can be done while seated if necessary. Believe me, I know that much of our membership are no longer spring chickens but most would still like to help out. Bring your Fez and we will find a job that you can do.

## **Nobles of Tebala Shrine,**

Remember these words, “Furthermore, that I will aid and assist all worthy distressed brother Master Masons, their widows and orphans, I knowing them to be such so far as their necessities may require and my ability will permit without material injury to myself or family.” Sound familiar? They should.

During the past couple of years the economic state of our country has changed dramatically. Wall Street, banking and 2 wars have made an impact on the way we live our everyday lives. Our culture has had to make some significant changes both in the private sector as well as the business sector. Some of our brothers have been impacted in a negative way by this and that’s the reason for this letter.

We have an opportunity to fulfill and exemplify the oath that each Shriner has taken as a Master Mason. Several of our brothers have either lost their job or become under employed by the recent economic changes. I am asking you that if you know of a brother that has lost his job or has been laid off, please tell them about the Tebala Forums section of the Tebala web page.

Tebala’s Website has a forum on it that allows our Nobility to network with each other and get resumes out which may help nobles get that job that they’ve been looking for, or that employer the great new employee that they need. Accessing the forum is easy. First, go to Tebala’s website at: [www.tebala.com](http://www.tebala.com), then from the Tebala Home Page click on the link—Websites. Scroll down to the link—Tebala Forums and click on that link. From there, just follow the instructions. You’ll have to register by creating a user name and password, etc. and submit the information. Once you’ve done the registration, you’ll get an e-mail confirmation and then you’re all set to enter your resume, etc. As more nobles register and enter information into the “Tebala Forums” link, the more valuable the link and website will become. It’s a great tool to help the nobility network with each other.

Let’s take advantage of this opportunity to live up to our oath and help our brothers in this changing culture. In the past our country has looked to us for leadership and help, and now once again we can make a change. Instead of sitting on the sidelines, let’s take the field and be the example for today and a better tomorrow.

Fraternally yours, Robert Boyd

**Tebala Shrine Night at the Rockford Speedway**

**Wednesday, July 28th, 2010**

Donate \$150.00 to Tebala's Transportation Fund for the opportunity to race in one of the 6 lap heat events that the Tebala Shriners will compete in that evening, or just come out to watch the action. It's a great way to have fun and support Tebala's Transportation Fund. The Rockford Speedway furnishes the cars and helmets, and this is open to the first 20 people who pay. Don't wait until the last minute to decide to be a part of the fun! Many of last years participants plan to do it again this year, and since the word has gotten out about how much fun everyone had, those 20 seats may get filled quickly. Send in your \$150 donation to secure your opportunity to drive in one of the 6 lap heat events and support Tebala's Transportation Fund. For those of you who don't want to drive one of the "race" cars, just come out to the Rockford Speedway and enjoy the fun. Discounted ticket packets for the "Tebala Shrine Night at the Rockford Speedway" will be sent out to the Nobility in the Rockford area, and Nobles from outside the Rockford region may obtain discounted tickets through the office at Tebala. Last years inaugural Tebala Shrine Night at the Rockford Speedway was very successful and raised over \$4000 for our Transportation Fund. With your support we can do better this year and have a great time doing it. Have a great evening helping Tebala's Transportation Fund!

**WANTED**
