Racing for Kids Night at Rockford Speedway a Huge success

Members of Tebala Temple showed up in force on Saturday July 16th at the Rockford Speedway for the "Racing for Kids Night". This event is a wonderful way for members of the public to learn of our organization and all the wonderful things Shriners and the children's hospitals do for kids. Shown above is Potentate Bill Robertson driving one of the air squadron's Tebala Birds. Word has it that the Potentate had a "smashing" good time driving the air squadron's plane during the event.

Special thanks to Hollie Guist for all his hard work on this event. Tebala was able to get the north section of the bleachers and had a wonderful cook out with brats and hamburgers.

Please remember all the other wonderful upcoming events. We look forward to seeing all the nobility and their families at these events.

**Kids are Key . . .**

Greetings Nobles and Ladies, I just returned from the 137th annual Imperial Shrine Session which was held in Denver, Colorado. The elected representatives, Potentate, Bill Robertson, Chief Rabban, Dave Babcock, Assistant Rabban, John Milliren, and High Priest & Prophet, Loy Rice, along with Oriental Guide, Larry Keyser, and our Ladies, attended the Imperial Session Public Opening on Sunday afternoon, July 3, 2011. The Nobles also attended the legislative sessions start-

ing Monday morning and lasting through Thursday morning, July 7, 2011. On Wednesday morning, July 6, we all, including our Ladies, attended the installation of the new Imperial Potentate and enjoyed all the pageantry that went along with the installation. The Tebala Nobles also attended the membership Hall of Fame Luncheon where Tebala was recognized and awarded a Bronze certificate for our over-all increased membership. Besides being busy every day, attending the Imperial business sessions, my Lady, Barbara, and I, along with my Chief Aide, Barry and his Lady Pat, enjoyed an evening on a steam engine train ride which included a BBQ dinner and beautiful fireworks on the 4th of July. WOW! What a beautiful sight!

There are some events coming up you won't want to miss....The Jimmy Buffet party on Friday, August 12, the Tebala Golf Play Day, on Saturday August 20, at West Lake Village, the Family Picnic on Sunday, August 28, to be held at Tebala, indoors, rain or shine, the Fish Fry on Friday, September 23, with great entertainment by our very own Tebala Klowns, and the Potentate's Ball, "Jewels 'n' Jeans", on Saturday, October 1, 2011.

Again, I encourage your attendance at any of the events planned for the rest of the year. I look forward to meeting and talking with you.

Yours in the Faith,
 Bill Robertson, POTENTATE

Note from the Potentate

I would like to request that all Nobles please wear their appropriate fez during the monthly stated meeting. As masons we understand how important the apron is in blue lodge and its importance as a badge of a mason. I feel the same applies to the fez for the shrine.

Thank you, Bill Robertson Potentate

MEETING ADJOURNED AT 9:01 P.M. RESPECTFULLY SUBMITTED BY: MARK TORRANCE, RECORDER

A Message from Chief Aide, Barry Kasmar

"One cool judgment is worth a dozen hasty councils. The thing to do is to supply light and not heat." »Woodrow Wilson

Well, it looks like the dog days of summer are upon us. The Imperial in Denver was a whirlwind of things to do and see. Pat and I met a lot of great Nobles and Ladies from all over North America and Puerto Rico. But now we are back and there are things to get done here. We have "Jimmy Buffet", the cornboil, Tebala Golf Playday and the Family Picnic. The more help we have, the more fun it will be! I want to thank all the Nobles and Ladies who helped at the "Speedway Night". There was a great turnout, and there were lots of crashes, good food and beer. After sitting in the ride-along seat in a late model car for a few laps around the track, I have a new respect for what those drivers do!

Remember, if you choose to arrange it – the World, You can change it!

Chaplain's Call - Chaplain Les McClelland

Chaplains Message for August

Greetings to all Nobles associated with Tabala Temple from your chaplain. I am writing this on the evening of July 2nd after working all day with my Lady, Princess Badoura on loading our Motor Home for a trip to Door County Wisconsin. It has been hot all day long and I am exhausted. However, as I am sitting here in my office, I am also thinking about all those Nobles who are or will be out in this same type of heat marching in various parades representing our Shrine, the Shrine Hospitals and the children they serve. Each of these Nobles who will walk the distance of each parade deserves my respect and I know you also realize your respect as well. My Fez is tipped in appreciation for all Nobles who endeavor to represent our fraternity with dignity and honor to the rest of the world.

By the time we all receive this Tabalagram our Potentate and members of the Divan will have been out to Colorado attending meetings with the Imperial Council. I look forward to hearing what they all have learned and how the information will help us become an even stronger fraternity.

My prayers are with each Noble and his family as well all Lady's whose Noble has passed for a wonderful journey in August as well as the rest of the year. Please know that I am always available for Counseling, Prayer, and Spiritual Support.

Now on a lighter side I have a few funny stories to share.

A young couple had two little boys, ages 8 and 10, who were excessively mischievous. They were always getting into trouble and their parents knew that, if any mischief occurred in their town, their sons were probably involved.

The boys' mother heard that a clergyman in town had been successful in disciplining children, so she asked if he would speak with her boys. The clergyman agreed, but asked to see them individually. So the mother sent her 8-year-old first, in the morning, with the older boy to see the clergyman in the afternoon.

The clergyman, a huge man with a booming voice, sat the younger boy down and asked him sternly, "Where is God?"

The boy's mouth dropped open, but he made no response, sitting there with his mouth hanging open, wide-eyed. So the clergyman repeated the question in an even sterner tone, "Where is God!?" Again the boy made no attempt to answer. So the clergyman raised his voice even more and shook his finger in the boy's face and bellowed, "WHERE IS GOD!?"

The boy screamed and bolted from the room, ran directly home and dove into his closet, slamming the door behind him. When his older brother found him in the closet, he asked, "What happened?"

The younger brother, gasping for breath, replied, "We are in BIG trouble this time, dude. God is missing - and they think WE did it!"

The second one reflects an interesting approach on experiencing a boring sermon. Now I know your pastor is tremendously educated and an outstanding orator. However, having been young once, many years ago I actually did some of these activities that I am sharing. Try to figure out which one I did and let me know what your guess is at the next business meeting at the temple.

Fun Things to Do During Boring Sermons

1. Pass a note to the organist asking whether he/she plays requests. See if a yawn really is contagious.
2. Slap your neighbor. See if they turn the other cheek. If not, raise your hand and tell the preacher.
3. Devise ways of climbing into the balcony without using the stairs.
4. Listen for your preacher to use a word beginning with 'A' then 'B' and so on through the alphabet.
5. Sit in the back row and roll a handful of marbles under the pews ahead of you. After the service, credit yourself with 10 points for every marble that made it to the front.
6. Using church bulletins or visitor cards for raw materials, design, test and modify a collection of paper airplanes.
7. Start from the back of the church and try to crawl all the way to the front, under the pews, without being noticed.
8. Raise your hand and ask for permission to go to the rest room.
9. Whip out a hankie and blow your nose. Vary the pressure exerted on your nostrils and trumpet out a rendition of your favorite hymn.
10. Chew gum; if the sermon goes on for more than 15 minutes, start blowing bubbles.
11. Try to indicate to the minister that his fly is undone.
12. By unobtrusively drawing your arms up into your sleeves, turn your shirt around backwards.
13. Try to raise one eyebrow.
14. Crack your knuckles. Twiddle your thumbs. Twiddle your neighbor's thumbs.
15. Wiggle your ears so that the people behind you will notice.

A PURSE PARTY!!!

On September 20 Alabet Temple will be holding a new event...a Purse Party! This evening event will have two components. The first is a presentation by a representative from the Miche bag company. This innovative company sells purses with interchangeable straps and "shells." Check out their website at <http://www.michebag.com/>. A vendor from Miche will be present at our Craft Sale on July 26 so you will have a chance to preview the bags, but save some of your purchases for our Purse Party.

The other part of the Purse Party will be a purse auction! Please bring a bag you already own but rarely/never use. It should be in pristine condition because we will put these up for auction by other ladies who might find that they could give that bag a good home. The proceeds from the purse auction will go toward the general fund of Alabet Temple.

Please join me in this new venture. It is a wonderful opportunity to investigate a new product, socialize with friends, and raise money for our temple. All are welcome—invite your friends. And remember, it is mathematically impossible to own too many purses. See you there!

Social hour and auction: 5:30

Presentation: 6:30

Imperial has come and gone, the session was good with a lot of legislation passed and some rejected.

Inad Temple was a big hit with there Drum and Buggle Corp playing in the hotel lobby and on the street, It sure brought back fond memories of days when our own Drum and buggle corp and they were rivals, But we know who was the best.

Thank you for the memories.
