POTENTATE'S MESSAGE

Greetings Nobles and Ladies,

Just returned from the Imperial Session and took care of all Imperial business. No major controversies this year, and it was a good session.

Membership was the major item up for discussion. Imperial developed a new program called I am committed now, are you? Nobles will be able to register potential candidates in the web fez program. There are a number of incentives being offered for Nobles bringing in new members. Have a look on Imperial's website for further details. Chuck Slater is working hard on membership, and just think if each Noble brought in a petition for a new member, we could double our membership in one year. The Shrine has the world's greatest philanthropy, our hospitals. We must increase our membership to continue supporting our 22 hospitals.

Look forward to seeing many of you at the Potentate's Dinner, Saturday, August 19, 2017. Please call the Tebala office at [815.332.2010](tel:815.332.2010), to make your reservations. Remember, Elvis wants to see you or maybe you just want to see Elvis. Come out for a great dinner and fun!

I welcome your attendance and look forward to seeing and talking with you at the events.

Yours in Faith ,
Bill Robertson, P.P.

Shiner Hospital Ambassadors

Every year, Shriners Hospitals for Children selects two National Patient Ambassadors to represent the health care system's patients.

The ambassadors spend the year telling their stories of perseverance in the face of adversity and the ways Shriners Hospitals for Children has made a dramatic, life-changing difference in their lives. We would like to introduce our two new ambassadors, Isabella and Emily.

AUGUST ALREADY???

July meeting update: Noble Ray Olson out-did himself. He hosted the best meeting of the year! Refreshments and food galore! Fellowship abounded. If you steak wasn't cooked to your liking, you know who to blame, YOURSELF. Special note: there was beer left over. Someone suggested it was because former TABMASTER was not in attendance.

During the meeting Nobles Tom Storm and Roger Allen were appointed to host "Ladies Night Out". The date will be November 9 and the place may be Tavern on Clark, specifics to follow.

The parade unit was good to go but will need a little tweaking after the parade season is over.

The location for the August meeting has not been determined at this time.

The August parade schedule looks like this:

Aug. 13 Mendota, leave at 11 a.m.

Aug. 20 Rochelle, leave at 11 a.m.

Aug. 26 So. Beloit, leave at 8:30 a.m.

Since the future of the Tebala Gram is unknown, here is the remainder of the parade season:

Sept. 10 Roscoe leave at 9 a.m.

Sept. 24 Stillman Valley lv 11 a.m.

Oct. 8 Oregon leave at 11 a.m.

Oct. 24 Sycamore leave 10:30 a.m.

Once again thank you to Noble Ray Olson for hosting our July meeting and all Nobles who have helped with the parades.

LOVES PARK SHRINE CLUB NEWS...(Continued)

LAUGH A LITTLE TIME:

EXERCISE

The Lamaze class was in full swing. The instructor was teaching the women how to breathe properly, along with informing the men how to give the necessary assurances at this stage of the plan.

The teacher then announced, "Ladies, exercise is good for you. Walking is especially beneficial. And, gentlemen, it wouldn't hurt you to take the time to go walking with your partner!"

The room got really quiet. Finally, a man in the middle of the group raised his hand.

"Yes," replied the teacher.

"Is it alright if she carries a golf bag while we walk?"

A Sure Bet

An archaeologist was digging in the Negev Desert in Israel and came upon a casket containing a mummy. After examining it, he called the curator of a prestigious natural history museum.

"I've just discovered a 3,000 year old mummy of a man who died of heart failure!" the excited scientist exclaimed.

To which the curator replied, "Bring him in. We'll check it out."

A week later, the amazed curator called the archaeologist. "You

were right about the mummy's age and cause of death. How in the world did you know?"

"Easy, there was a piece of paper in his hand that said. '10,000 Shekels on Goliath.'"

NEW GLASSES

A woman walks in a store to return a pair of eyeglasses that she had purchased for her husband a week before.

"What seems to be the problem, madam?"

"I'm returning these glasses I bought for my husband. He's still not seeing things my way."

THE TOOTH FAIRY

After losing another tooth, eight-year-old Timmy became more curious about the elusive tooth fairy.

Finally putting two and two together, he came right out and asked his mother, "Mom, are you the tooth fairy?"

Assuming he was old enough to hear the truth, she replied, "Yes, I am."

Timmy seemed to take this news quite well. But as he headed for the door, he slowly turned back toward his mother with a curious look on his face and said, "Wait a minute. How do you get into the other kids' houses?"

Since the future of this publication is under review, I want to say I have enjoyed doing it, hopefully informing and entertaining you. I hope you enjoyed my efforts. A special thanks to my Lady Delores for her assistance, also.
